

Women Striving For Success, Inc. (WSFS) is a community of women business owners, entrepreneurs and professionals supporting each other for the successful development and enrichment of their business and professional lives and for the betterment of the Virgin Islands.

Founded in 2012, WSFS aims to provide a forum for women to network and advance themselves personally and professionally. The organization takes pride in helping promote women-owned or operated businesses and successful careers in the Virgin Islands. WSFS is open to women in all stages of their careers and levels of their business development.

Benefits of Membership

Membership benefits include:

- Product and service business review panels
- Insurance pools
- Partnership with UVI for fast tracking certifications and/or other benefits
- Membership discounts including reduced rates for networking and business meetings and the WSFS Annual Conference
- WSFS bartering network
- Training and educational opportunities
- Networking opportunities to enrich lives and expand business opportunities

WSFS is always looking to build our pool of benefits. New resources will be introduced as opportunities become available. Perhaps your business would like to be included!

Premium Membership

Premium membership in WSFS includes entrance to the Annual Conference - one ticket for individual members / 2 tickets for corporate members/ 3 tickets for corporate plus members - a \$30 savings per member to attend the most influential women's conference in the Virgin Islands held annually.
